

TNL Sub List

Substitutes

Any Ptarmigan golf member that carries a current handicap is welcome to be a sub in this league. If a player is already on a team but he is not scheduled to play during the time of the match, that player is an eligible sub. Substitutes are not regular team members, do not pay league fees and are therefore ineligible to win prizes other than the "game of the day". A substitute in the league championship must have at least 6 recorded league scores to be eligible to play.
